DOMESTIC/FOREIGN INSURERS BULLETIN NO. 28

**TO: ALL INSURERS PROVIDING HOMEOWNERS INSURANCE
COVERAGE IN DELAWARE**

**RE: AVAILABILITY OF 2008 SURVEY MATERIALS RELATING TO
REGULATION 704**

DATED: March 3, 2008

As you know, insurance companies with more than .01 percent market share in the homeowner multiple peril line in Delaware are required to complete an annual homeowners insurance rate survey, as stipulated by Regulation 704. Regulation 704 became effective on February 11, 2007.

A document with instructions, provisions for rating and the hypothetical consumer profiles to be used in the 2008 survey is now available by going to www.delawareinsurance.gov/survey. This page also contains a list of companies required to complete the survey based on NAIC market share data. The page can also be accessed by going to the Department's home page at www.delawareinsurance.gov and clicking on the link "For Companies: Rate Survey Instructions."

The deadline for completing the survey is April 15, 2008. Any questions, comments or requests for clarification about the survey and submission process should be emailed to gregory.patterson@state.de.us. Thank you in advance for your effort in providing this useful tool to Delaware consumers.

This bulletin shall be effective immediately and shall expire on December 31, 2008.
